Dear Parents / Caregivers

Our school has been invited to join the Fonterra *'Milk for Schools'* Programme.

Fonterra *'Milk for Schools'* will:

- Deliver Year 0-8 students a pack of Anchor Lite UHT milk every Monday, Wednesday and Friday.
- Supply a free fridge to chill the milk.
- Collect used packaging for recycling.

Fonterra *'Milk for Schools'* is all about growing healthy children and milk contains essential nutrients for growth and development. The natural nutrition of milk gives children calcium for building bones and nutrients they need for sustained energy, concentration and learning in the classroom.

Participation in the programme is entirely voluntary - both for our school and students. If you would like more information about the programme, please visit www.fonterramilkforschools.com or to discuss our school participating in Fonterra *'Milk for Schools'*, please contact the school office.

Could you please complete and return the permission slip below. Thank you.
